The maximum amount that Europeiska ERV may be responsible for paying compensation for an injury event is SEK 10,000,000 if several insured persons travelling together are required to pay compensation, even if the event is covered by one or more policies purchased from Europeiska ERV.

If multiple injuries or accidents occur at the same time, it is assessed this as one injury if they are caused by the same liability action/incident.

If you are liable to pay damages for injury to a person who is domiciled in Sweden, the amount of compensation that will be paid from this insurance will be limited to reasonable compensation for such personal injury in accordance with Swedish law.

10.1.4 Precautions / Security directives

10.1.4.1 Notification of claim

A claim, for which Europeiska ERV may be liable to pay compensation for, must be reported to Europeiska ERV without delay.

10.1.4.2 Obligation to provide information

You have an obligation to submit to Europeiska ERV, without delay, relevant documents and other information that may be significant for the assessment of the claim. If the insured, with fraudulent intent, provides, withholds or conceals any information that is of significance for the assessment of the claim, the insurance will cease to be in force.

10.1.4.3 Obligation to take appropriate measures

You have a duty, to the best of your ability, to avert imminent damages, or to endeavour to limit damages that have already occurred.

This means, amongst other things, that:

- You have an obligation to limit the effects of the incident that may entail liability to pay damages;
- You have a duty to cooperate to ensure that any right of recourse against a third party is preserved.

If you neglect your duty to follow these directives, this may entail a partial or total reduction in the amount of compensation.

10.1.4.4 Summons and legal counsel

If you are summoned to appear before a court, or is advised that such summons is forthcoming, this must be reported to Europeiska ERV immediately. If you fail to observe these obligations, a court order regarding liability to pay damages cannot be referred to Europeiska ERV nor will litigation or arbitration court costs be compensated.

10.1.4.5 Settlement out of court

If you, without Europeiska ERV's prior consent, assume liability to pay damages, endorse claims for compensation, or pay compensation, this is not binding on Europeiska ERV.

You are obliged if Europeiska ERV so wishes – to cooperate in negotiations to reach settlement out of court with the injured party. If Europeiska ERV has declared a preparedness to accept settlement out of court with the party demanding damages, Europeiska ERV shall be discharged from any obligation to meet any subsequent costs or damages or to carry out a further investigation.

10.1.4.6 Penalty interest

Europeiska ERV will not pay any interest incurred because of delay by you to meet your obligations as stated in these security directives.

10.2 Legal expenses

10.2.1 This is what the Holiday Insurance covers

The insurance applies to specific and ongoing legal disputes arising during your trip abroad which could be brought before a county court, or equivalent court/panel or which, after trial in such a court, can be tried by the Courts of appeal or the Swedish Supreme Court or equivalent court(s) abroad.

The insurance covers *necessary and reasonable* expenses for:

- a) Your own and your counterparty's legal fees you may be instructed to pay after the dispute has been tried at one of the courts stated above.
- b) Legal costs that are incurred in the event of a settlement during legal proceedings, which you have undertaken to pay the opposite party, on the condition that it is evident that the court would have instructed you to pay legal costs amounting to a greater sum if the dispute had been tried.
- c) Expert reports.
- d) Unilaterally obtained specialist reports.
- e) Legal costs in disputes - both your own costs and such costs you may be instructed to pay after the dispute has been tried at one of the courts stated above.

The insurance also covers *necessary and reasonable* travel expenses resulting from you being summoned as a witness or for questioning at a court abroad.

10.2.1.1 Choice of representative

In order for compensation to be paid, you must engage an appropriate legal representative taking into consideration your domicile, the location where the dispute will be tried as well as the nature and extent of the dispute, and:

- a) who is a member of a national Bar Association, or other lawyer who is an employee at a public law firm, or
- b) who has been appointed counsel in accordance with the provisions of the Legal Aid and Advice Act, in the dispute, or
- c) who can show that he, at some time during the previous three years, was appointed counsel in accordance with the provisions of the Legal Aid and Advice Act, in a dispute similar in nature, and is still suited to the task of such counsel, or
- d) who in some other way has shown that he is especially suited to the assignment.

Examination of Item c) or Item d) concerning the legal representative's suitability to the task, is performed in Sweden by the Insurance Companies' Legal Expenses Committee (Försäkringsbolagens Rättskyddsämnd). The insured, and Europeiska ERV, reserve the right to demand arbitration from the Swedish Bar Association, or similar professional foreign association, concerning the reasonableness of the lawyer's fees and costs.

A prerequisite to allow the insured to seek the services of a legal representative in accordance with the provisions of Item c) and Item d) above, is that the legal representative undertakes, in the event of a dispute, to accept the Insurance Companies' Legal Expenses Committee's examination of his fees and other expenses relating to the case.

In case of a dispute that is to be tried outside Sweden the legal representative must be approved by Europeiska ERV.

10.2.2 Maximum compensation

The maximum compensation is SEK 100,000 per trip.

There is an excess of 10 % of the overall claims costs. However, the minimum amount of the excess is SEK 2,500. If an appeal is lodged, the excess applies to every instance.

There is no excess if the economic conditions for legal aid in the country in which the case is instituted are met.

10.2.3 Limitations / Exclusions

The insurance does not cover:

- a) Civil court cases arising from disputes between you and the travel agency, the trip organizer, the transport provider or Europeiska ERV.
- b) Legal disputes that are directly or indirectly related to the execution of your business, including work placement matters.
- c) Family and inheritance matters.
- d) Criminal cases
- e) Damage for which you may be held liable as the owner, user or driver of motor vehicles, caravans, trailers or aircraft, para-gliders, hang-gliders or other similar devices.

11. GENERAL TERMS AND CONDITIONS

11.1 Rescue obligation

When an insured event occurs or imminently threatens to occur, you must take action to the best of your ability to restrict or limit the damage. If another party is liable for damages, you must take action to preserve any rights Europeiska ERV may have against that party.

If you have intentionally neglected your responsibilities as defined in the first paragraph, compensation may be reduced as far as it concerns you, based on what is reasonable, taking into consideration your situation and other circumstances. The same applies if you have neglected your obligations through gross negligence or when you were aware that there was a significant risk of damage or injury occurring.

11.2 Action in the event of a claim

If you should have a claim, you must fulfil the requirements placed on you under the relevant section in the terms and conditions. You must also:

- report the event to Europeiska ERV as soon as possible
- submit a specified request for compensation and provide the information and documentation required by Europeiska ERV to process the case, e.g. original purchase receipts, medical certificate from a qualified and impartial doctor, authorization to access medical case notes or a certificate of delay
- inform Europeiska ERV if there is any other insurance or equivalent cover valid for the same incident
- submit damaged items for inspection if requested by Europeiska ERV.

11.3 Payment of compensation

Europeiska ERV shall pay the compensation no later than one month after you have reported the incident and submitted the information we require to be able to handle the claim.

If you are entitled to a certain amount, Europeiska ERV shall pay this as soon as possible. This amount is deducted from the final settlement. Should the payment be delayed more than one month, you will receive penalty interest according to the Swedish Interest Act. Interest pursuant to these terms and conditions is not paid if it is less than SEK 100.

11.4 Reduction of compensation in the event of a claim

11.4.1 Causing an insured event

If you have intentionally brought about an insured event, compensation is not paid from the insurance as far as it concerns you. The same applies to the extent you have intentionally worsened the consequences of an insured event. If you have brought about an insured event through gross negligence or worsened its consequences, the compensation may be reduced as far as it concerns you, based on what is reasonable, taking into consideration your case and other circumstances.

The same applies if you must otherwise be assumed to have acted or failed to act in the knowledge that this meant a significant risk for the injury or damage occurring. For example may the use of drugs, alcohol or other intoxicants in such a way that the insured person exposes himself to the risk of injury imply that the rules for causing an insured event applies.

11.4.2 Safety directives

If, in the event of an insured event, you have neglected to follow the safety directives set out in the insurance's terms and conditions or another statute that the conditions refer to, the compensation from the insurance can be reduced as far as it concerns you, based on what is reasonable with respect to the conditions associated with the injury or damages that have arisen, the intent or negligence that has occurred, and the circumstances in general.

Safety directive is intended to mean a directive about certain determined ways of acting or arrangements that are dedicated to preventing or limiting damage or certain determined qualifications with the insured, or his/her employees or other assistants.

11.4.3 When a reduction cannot take place

The compensation cannot be reduced according to this chapter due to

1. trivial carelessness
2. action of someone who was seriously mentally disturbed or was under twelve years of age, or
3. actions that were intended to prevent physical injury or damage to property in an emergency situation to the extent that the action was defensible.

11.5 Supplier's guarantee

The Holiday Insurance does not apply for damages for which a supplier or other party holds responsibility according to law, guarantee or similar undertaking. However, the insurance does apply if you can show that the party that has made a commitment is not able to fulfil this commitment.

11.6 War damages

The insurance does not apply in respect of damages associated with war, war-like events, civil war, revolution or insurrection. However, the Holiday Insurance applies if you are staying in the affected area at the time of the outbreak and the claim arises within 14 days of the outbreak of the troubles. You may not participate in the war or act as a reporter or similar.

11.7 Nuclear damages

Compensation is not granted for damages where the damage is directly or indirectly caused by nuclear process (nuclear reaction, e.g. nuclear fission, nuclear fusion or radioactive decay).

11.8 Limitation period

A person who wants to claim compensation, or any other insurance cover, must initiate action against Europeiska ERV within a period of ten years from the date when such circumstance in the insurance contract that entitles to insurance coverage occurred. If actions are not brought within that period, the right to insurance cover will be lost.

If the person who intends to claim for insurance cover has reported the claim to Europeiska ERV within the prescribed period, as specified in the first sentence, the period to initiate actions against Europeiska ERV is always at least six months from the date when Europeiska ERV declared that it has passed a final decision regarding compensation.

11.9 Force majeure

The Holiday Insurance does not cover losses that may occur if the claims investigation, repairs or payment of compensation is delayed due to war, war-like conditions, civil war, revolution or insurrection or due to natural disaster, intervention by authorities, strikes, lockouts, blockades or similar events.

11.10 Common exclusions

The insurance does not apply with respect to injuries or damages resulting from illegal act by the insured, his/her beneficiary or legitimate heir.

Insurance cover, liability to pay any claim or provision of any benefit or service shall be granted only insofar as and as long as it is not in contradiction to economic, trade or financial sanctions or embargoes enacted by the European Union or Sweden that are directly applicable to the contracting parties.

This shall also apply to economic, trade or financial sanctions or embargoes enacted by the United States of America insofar as those are not in contradiction to European or Swedish legislative provisions.

11.11 Double insurance and recovery of compensation

If the same interest has been insured against the same risk with several insurance companies, each insurance company shall have a liability towards you as if that company alone had provided the insurance.

However, the insured party is not entitled to receive higher total amount of compensation from the companies than is appropriate to the claim. If the total sum of the liability amounts exceeds the actual loss, the liability will be divided between the insurance companies in proportion to the respective liability amounts.

To the extent that the insured has received compensation, Europeiska ERV assumes the right to recover compensation paid by the person responsible for the damages or from any other insurance or party.

11.12 Right of recourse

Europeiska ERV assumes your right to claim compensation for damages, to the extent that this is covered by the insurance and has been compensated by Europeiska ERV.

11.13 Other legislation

In general, the applicable sections of the Insurance Contracts Act (SFS 2005:104) apply.

11.14 The right of withdrawal

In accordance with the Act on Distance Contracts and Off-Premises Contracts (SFS 2005:59), the following applies:

For insurance policies that provide cover for a period of more than one (1) month, the policyholder has the right to withdraw the purchase of the insurance within fourteen (14) days of entering into the agreement. The deadline is calculated from the date when the insurance contract was concluded, that is, when the policyholder receives the policy and terms and conditions for the insurance. The right of withdrawal does not apply to insurance policies with an insurance period of one month or less. If the policyholder wishes to exercise the right of withdrawal, Europeiska ERV must be informed in writing before expiry of the deadline.

You have the right to ask us to delete the personal data.
